

Riverview School

To the family of <Student First> <Student Last>,

For the 2022-2023 academic year, E&R – The Campus Laundry, who is proudly celebrating 100 years in service – will once again partner with Riverview School to provide laundry services to all interested MS/HS students. Anyone who has been in academia for a number of years comes to understand certain realities about student life; in particular that laundering clothes and bed sheets have become low priorities for many students, given their increasingly busy schedules.

To help address these issues, E&R offers two especially efficient and practical programs – **Optional Upgrade** and **Wash/Dry/Fold**. E&R has provided professional laundry services to over 100 preparatory schools, colleges, and universities throughout the Northeast for over 50 years, and has designed its plans to allow students to make the most of their free time. Please consider one of these plans, which are currently available at discounted rates.

These plans from E&R not only maximize your student's available free time and promote a clean and healthy dorm room, they also help to reduce the school's carbon footprint. The laundry service is for MS/HS only and not available to GROW students. Laundry service is required for grades 6-10 and optional for grades 11-12. If the cost of laundry is a hardship, you may contact the business office to apply for financial aid.

E&R makes it easy to register your student via their website at TheCampusLaundry.com or via phone at (800) 243-7789. Registration for any E&R service should be completed no later than August 15, 2022 to receive E&R's discounted rates.

Over the years, E&R – The Campus Laundry has provided reliable, professional and top quality service. We hope that you will consider subscribing to one of their service plans.

Sincerely,

Deanna White

“ The word that comes to mind is peace-of-mind. E&R Cleaners was like a lifesaver. Having the campus laundry service with E&R Cleaners absolutely gave my daughter the time to focus on the important things. It was a great benefit for us.”

MARTHA PARENT

“ E&R definitely gave me an advantage over my peers at school. While they were busy doing laundry, spending hours sometimes just waiting for a machine, I was able to use my time in a more productive way. The biggest advantage I get from E&R cleaners is time.”

KELLY STUDENT

“ When I saw the laundry room at my daughter's dorm room, I saw piles of wet clothes heaped up on top of the washing machine and I was horrified. I take great comfort in knowing my student is healthier and less exposed with E&R Cleaners.”
