

Village OF Dreams Gala

Dear Friend,

Being part of the Riverview community means witnessing incredible growth and transformation every single day. Our students thrive in the inclusive, nurturing, and highly personalized environment that defines Riverview. We celebrate meaningful milestones alongside them and provide guidance and support as they develop the skills, confidence, and independence needed for the future. Every student's journey is unique, and our programs are designed to meet students where they are, empowering them to discover their strengths and reach their full potential.

Riverview continues to grow and evolve to meet the needs of our students and families. In recent years we have expanded opportunities across campus, from enhancements to our theater, arts, wellness and nutrition programming to increased family support initiatives, and the exciting launch of our post-22 program, **Friends Together**, which provides meaningful next-step opportunities for young adults after Riverview. Our annual **Village of Dreams Gala** plays a vital role in helping us sustain and grow these programs, ensuring that Riverview continues to innovate and support students for generations to come.

As I look toward Riverview's bright future, I am constantly reminded that it truly takes a village. Our success is made possible by the collective commitment of extraordinary educators, engaged families, dedicated volunteers, and strong community partnerships. Just as importantly, it is made possible by the generosity of donors and supporters like you who believe deeply in our mission and invest in the lives of our students.

Our **Village of Dreams Gala** was created to celebrate our community. For one special evening each year, we gather together on our beautiful Cape Cod campus to celebrate the students, families, and supporters who make Riverview so extraordinary. As part of the evening, we highlight a special fundraising initiative called our **Fund-A-Dream**, which focuses our collective generosity on a specific need.

This year, our **Fund-A-Dream will support Financial Aid**. Riverview is deeply committed to ensuring that students who can benefit from our programs have access to this life-changing education, regardless of financial circumstances. Financial aid allows families from a wide range of backgrounds to join the Riverview community. For many families, financial assistance makes the difference between hoping for an opportunity and truly being able to pursue it. By supporting financial aid, you are directly opening doors, helping students gain access to a specialized education, individualized support, and a community that prepares them for meaningful, independent lives.

We rely on the generosity of donors and community partners to help us reach our goals, and we hope you will consider supporting this year's Gala through a sponsorship and/or an auction donation. Every contribution, large or small, plays a meaningful role in expanding opportunities for our students and strengthening the Riverview community.

Thank you for helping us continue to make so much possible.

Kind regards,

Stewart Miller, Executive Director
